

Determining a Child's Budget

To determine a child's monthly salary, calculate the total amount that the child will be responsible paying for each month. These are the items that will come out of the "Bills" column.

Example		Monthly Expense	Amount
Music Lessons	\$15		
Gifts (Christmas/Birthday)	\$10		
Summer Camp	\$25		
Total Salary	\$50	Total Salary	

The _____ Family's Responsibilities

	Sunday		Monday	Tuesday	Wednesday Thursday	Friday	Saturday			
Breakfast	Noon	Supper						Breakfast	Noon	Supper
