

*Lord, I give myself to You, whatever the cost may be. Take every aspect of my life and use me to glorify Your name. I'm not here on earth to do my own thing, to seek my own fulfillment or my own glory. I'm not here to indulge my desires, to increase my possessions, to impress people, to be popular, to prove I'm somebody important, or to promote myself. I'm not here even to be relevant or successful by human standards. I'm here to please You and to bear fruit that reflects Your presence in my life.*

*The desire of my heart is to discover what it means to delight in You. I want to have my heart and mind entranced and captivated by the superlative beauty and sweetness of who You are. I understand that delighting in You alone will dislodge sin from my heart. So help me to learn more fully how to enjoy You, love You, worship You and serve You.*

*I'll do anything that You want me to do, go anywhere that You want me to go and say anything that You want me to say. Father, there isn't any gift that You have for me that I don't want. If You want me to move out of my comfort zone, I'll follow You. If You want to use me in a way that I'm not used to, I yield myself to that.*

*Today I re-dedicate myself to You. I love You, my God, and I choose to live and minister in Your way. I trust You, Lord, to do that which I cannot do myself. Teach me, guide me, empower me, fill me with Your Spirit and reveal Yourself through me. May the fruit of my life demonstrate to others the difference You are making in my life and cause them to want to know You.*

*In Jesus' Name, Amen*
