

Learning Our Colors

Ice Cream Cone and Caterpillar

Ice Cream Cone Directions (3 Year Curriculum): Print and cut out the triangle and oval templates. Trace the cone onto brown construction paper or color it brown. Trace the oval onto several different colors and cut out -or- onto white paper and color.

Caterpillar Directions (4 Year Curriculum):

Print and cut out the circle template. Trace the circle onto several different colors and cut out -or- onto white paper and color. Add legs, a face, and antennas to the finished product.
