

Week 1

Items Needed:

Below are suggested supplies which may be substituted with items you already own. Worksheets are found in the [1 Year Workbook](#), while the [ABCJLM Interactive Bible Stories](#) are a Digital Download. Both are available to order on the ABCJLM website.

Worksheets:

- Objective Poster
- First Day of Preschool
- Black Train
- Raccoon
- Animals
- Character Scriptures

Books:

- Bible
- Read and Share Toddler Bible* - pg 24
- ABCJLM Interactive Bible Story
- My Little Word Book*

Supplies:

- Black jumbo crayons
- Stuffed animals
- Black construction paper
- Jumbo paintbrush
- Animal crackers
- 3-ring binder
- Glue
- Scissors
- Water
- Dry erase pocket or picture frame
- Dry or wet erase marker

Daily Schedule:

ABCJesusLovesMe Sample:
1 Year Curriculum Week 1

The 1 Year Curriculum introduces the child to learning, and the objectives are the learning goals that you will introduce to the child over one week's time. All focused objectives do not need to be covered each day but can be spread throughout the week in the following manner. As much as possible, throughout the week pull the learning from the play and activities that the child is doing.

Objective	Day 1	Day 2	Day 3
Bible Story	Noah's Ark Interactive Story	ABC Book	Collect Stuffed Animals
Bible Song	The B-I-B-L-E	The B-I-B-L-E	The B-I-B-L-E
Character Scripture	Salvation - Romans 10:9-10 (NIV) If you declare with your mouth, "Jesus is Lord," and believe in your heart that God raised him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you profess your faith and are saved.		
Poem	Row, Row, Row Your Boat	Row, Row, Row Your Boat	Row, Row, Row Your Boat
Color	Color Train	Find Black Items	Find Black Items
Shape	Find Circles	Water Paint a Circle	Find Circles
Animal	Discuss Raccoon	Find Pictures of Raccoon	Raccoon Worksheet
Taking Care of Me	Where is my head?	Name and Point to Head	Name and Point to Head
Sign Language	Bye-bye: wave	Bye-bye: wave	Bye-bye: wave
Book of the Week	Point and Name Images	Point and Name Images	Point and Name Images
Motor Skill	First Day of Preschool Poster	Peek-a-Boo	So Big

First Day of 1 Year Curriculum:

Use the First Day of Preschool worksheet to create a precious photo op to remember today. Be sure to tag #ABCJLM or @ABCJesusLovesMe when you post the image on social media!

Week 1

Getting Started:

How to Teach:

Teaching a child a new concept can be daunting. *Where to begin? What to say? When to say it? How to get a child to sit still?* Visit this page for more information - tinyurl.com/ABCJLM-how-to-teach.

"I am Learning" Objective Poster:

The Objective Poster (available in the [1 Year Workbook](#)) helps you track what the child is to be introduced to (the objectives) and incorporate the objectives into daily activities and play. Transfer the weekly objectives to the poster and hang it in a prominent place to remember the objectives. By placing the poster in a dry erase pocket or a picture frame and using a dry or wet erase marker, the sheet is reusable each week.

Suggested Activities:

All activities are suggestions to help introduce the objectives of the week. Pick and choose activities that the child will enjoy and fit into your schedule. As much as possible, include the learning in play time and current activities. For more ideas - tinyurl.com/incorporate-learning

Development:

ABCJesusLovesMe Sample:
1 Year Curriculum Week 1

Fine Motor Skills: Peek-a-Boo

Fine motor skills are those activities that improve one's ability to write and manipulate small objects. Each Lesson Plan includes an activity to improve the child's fine-motor skills. This week, play Peek-a-Boo with the child by covering your eyes with your hands, removing your hands, and saying "peek-a-boo." Help the child cover his eyes and do the same.

Gross Motor Skills: So Big

Gross motor skills involve large muscle movement (e.g. running, jumping, hopping etc.). These skills require balance and coordination. Each Lesson Plan includes an activity to improve the child's gross-motor skills. This week, play "So Big" by asking the child, "How big are you?". Assist the child in raising her arms into the air and say, "So big!" This is a great activity to do when undressing as it helps the child know to raise her arms in the air to remove a shirt.

Taking Care of Me: Head

For the next 13 weeks, the child will learn his body parts. Discuss the week's body part while getting dressed, during bath time, and while looking in a mirror. Point out body parts found in books and magazines. This week's body part is the head.

Bible:

ABCJesusLovesMe Sample:
1 Year Curriculum Week 1

Bible Objective:

The goal of the 1 Year Curriculum is to introduce the child to stories in the Bible. The Items Needed section include page numbers to the *Read and Share Toddler Bible* (when available), but any children's Bible may be used. For variety, you may desire to read the same story from several Bibles. See *my favorite Children's Bibles* – tinyurl.com/choosing-bible Be sure to read the Scripture for yourself to make sure you know the facts of the story. Another way to further Bible learning is to tell the story in an interactive way. The [ABCJLM Interactive Stories](#) provide you with an age-appropriate script to actively include the child in the story. Offered as a digital download, this supplemental product may be purchased on the ABCJLM website.

Bible Story: Genesis 6-9

This week's Bible story is Noah's Ark.

- Eat animal crackers while reading Noah's Ark.
- Gather stuffed animals to sit with you as you read.

ABC Book: Animals

For the next 36 weeks, the child will create an Alphabet Bible Craft (ABC) book using the Bible Symbol of the week. Each week add the alphabet worksheet to a 3-ring binder to review and for the child to show to others. Using the Animals worksheet, color with a black jumbo crayon and glue on animal crackers.

Bible Song Objective:

The Bible songs chosen are old "Sunday School" favorites. If the song is not familiar to you, any Bible song may be used. Or, most songs can be found on Amazon through MP3 download. It is best to learn the song yourself and then slowly teach the song in small sections.

Optional Addition: Available as a digital download, the [1 Year Bible Song Cards](#) consist of cards containing the Bible Songs used in the 1 Year Curriculum. Separate, hole punch, and bind together for easy access and mobility.

Bible Song: The B-I-B-L-E *Traditional*

The B-I-B-L-E (form book with hands)
Yes, that's the book for me (nod "yes")
I stand alone on the Word of God (pretend to stand firm)
The B-I-B-L-E, Bible! (shout)

Week 1

Character Scripture:

As parents and teachers, we desire the children in our care to be like Christ. Praying Character Scriptures is a time for you to have a conversation with God, using His words to ask Him to build godly character in the child's life. Also, the verses will remind you of character traits to develop in the child through example, teachable moments, and discipline. Each Lesson Plan contains a character trait and a suggested verse to pray over the child for the week. Post the Character Scriptures worksheets in a prominent location (diaper changing station, refrigerator, above sink) to remind you to pray throughout the day. Here is an example for this week's character (salvation) based on Romans 10:9-10. *More information about Teachable Moments - tinyurl.com/ABCJLM-teachable-moments*

Heavenly Father, I pray that _____ would declare with his mouth that Jesus is Lord. That he would believe in his heart that God raised Jesus from the dead. Work in _____ heart to believe in You so that he may be justified. I pray that his mouth would profess his faith and salvation.

Academic:

ABCJesusLovesMe Sample:
1 Year Curriculum Week 1

Animal: Raccoon

The child will be introduced to 28 animals. This week is the raccoon.

- Using the Raccoon worksheet, point to the raccoon's head.
- Using a jumbo crayon, color the Raccoon worksheet black. (For little hands, jumbo crayons are easier to hold.)
- Find pictures of raccoons in the books that you read.
- Explain the raccoon's distinct "mask."
- Raccoons are nocturnal animals which means they hunt for food during the night and sleep during the day.

Color: Black Train

In this curriculum, the child is introduced to nine colors. Since the goal is to provide the child with time to work with the specific color and improve fine motor skills, use only the color of the week during all craft and drawing times. For the first 11 lessons, the child will create a Color Train. Using the Color Train worksheet and a jumbo crayon, instruct the child to color a train per week (this week is black). Display the train at the child's level to point and discuss the colors. If the child tends to put things in his mouth, try egg crayons or making larger crayons by recycling old ones (tinyurl.com/recycling-crayons). Also, do not use markers or pens as they do not work the fine and gross motor muscles as much as crayons and pencils. For the rest of the week, point out black items that you see.

Shape: Circle

Seven shapes are introduced to the child beginning with the circle. Using black construction paper, cut out a large circle. Using minimal water have the child water paint the circle. Talk about the shape as the child paints. For little hands, jumbo paintbrushes are safer and easier to handle. For the rest of the week, find circles in items that you see.

Week 1

Poem Objective:

Traditional poems and nursery rhymes help children with rhyme, fine motor skills, and rhythm as well as pre-reading. Assist the child in performing actions to the poems and quote them very slowly at first to help the child correctly learn the words. Quote the poem throughout the day (e.g. while driving, in the bathtub, while washing hands).

Optional Addition: Available as a digital download, the [1 Year Poem Cards](#) printable is made up of cards containing the poems used in the 1 Year Curriculum. Separate, hole punch, and bind together for easy access and mobility.

Poem: Row, Row, Row Your Boat *Traditional*
Sing with child sitting on your lap, facing you. Hold child's wrist to perform motions.

Row, row, row your boat, (rock from side to side)
Gently down the stream.
Merrily, merrily, merrily, merrily, (pat hands on legs)
Life is but a dream. (clap four times)

Book of the Week: *My Little Word Book*

The *My Little Word Book* is used multiple times in the 1 Year Curriculum because looking through the book allows the child to associate a word with a picture. While word books can be monotonous for adults, repetition will expand a toddler's vocabulary. Only cover a few pictures at a time unless the child desires more.

- How to Teach the Child through Pictures

1. Introduce - Begin by introducing the child to individual pictures. Gently take the child's hand, point to a picture, and name the object. Soon the child will randomly point prompting you to name the object, activity, or emotion.
2. Recognize - Once you have introduced each image, ask the child to point to specific objects. "Point to the ball." If the child is unable to point to the object, move back to "Introduce" and help the child point to the object.
3. Identify - Point to a picture and ask the child to name it.

ABCJesusLovesMe Sample:
1 Year Curriculum Week 1

Sign Language: Bye-bye

This curriculum introduces the child to 28 words using sign-language. Using signs provides the child with a language to express her needs. Introduce each sign at the beginning of the week by helping the child do the sign as you say the word. Consistency and repetition will lead to the child performing the sign on her own. This week's sign is "bye-bye." Every time that it is appropriate for the child to wave, take the child's hand, assist her in waving, and say bye-bye. Also model the sign as you say it. *More ideas* - tinyurl.com/ABCJLM1-Videos
