2 Year Curriculum Week 2

Fine Motor Skills: Sorting Toy

To teach the child how to use a sorting toy, hold the block above the correct slot and allow the child to push the block down. Allow the child as much opportunity to do the activity by themselves as possible. As you play with the sorting toy, name the different colors and shapes.

Gross Motor Skills: Jump

Jump forward. Act like a frog or kangaroo.

Self-Care/Manners: Say "Please"

Help the child remember to say "please" before each request. Saying "please" shows respect and helps create a positive and polite tone of voice.

Book of the Week: *Llama Llama Red Pajama* by Anna Dewdney

Each week the child will be introduced to a quality picture book. The classic books support other objectives learned in the lesson. If possible add this book to your home or classroom library for repeat reading. You may also borrow or substitute with a similar book.

- Have a Pajama Day and wear your pajamas all day.

- Find circles in the book, especially red circles (e.g., eyes, mama's necklace, bed accents, corner circles).

Week 2

Bible:

Bible Story: Genesis 1:1-13 (Plants)

Creation Fingerplay: Additional verse

On Day 3

God created land (with palms facing the floor, run hands flat in front of you) and plants (place one fist inside the other and pop the one fist through the other - sign language for plant)

My Creation Book:

Flower Handprint: Paint the child's hand red and stamp on a white piece of paper. Draw a green stem and leaves.

Flower Prints: Dip the bottom of a 1 or 2 liter bottle into red paint and stamp onto a piece of paper. Dip the bottle lid into black paint to make the center of the flower. Add green lines for a stem and leaves. *Thank you, The Amazing Mess, for this idea.*

Memory Verse: Genesis 1:1

Tune: Are You Sleeping

In the beginning, In the beginning (hammer fists)
