

Baby Jesus Craft

Large Baby Craft: Paint both sides of a paper plate brown. Let dry. Using the large baby, cut out and glue the baby inside the paper plate. Fold the sides of the plate in so as to swaddle the baby.

Small Baby Craft: Cut out the small Baby Jesus. On a piece of construction paper, glue enough small pieces of brown and yellow yarn to form a bed. Glue Baby Jesus into the bed. Glue popsicle sticks around the baby to create a manger.
